

# The latest trends in a bright new ambience!

**W**ell known with a strong image in Hong Kong is the II Colpo Architech Studio hair salon at the Grand Hyatt, Wanchai. With over 13 years of prominence in the area, including active participation in most major events like Miss Hong Kong Pageant and other fashion events, it was decided to expand and innovate even more. This flagship salon catered to celebrities and executives on the Island, especially those with the taste for the more traditional classic styling, providing the basic recipe of shampoo, haircut, blow-dry, styling and hair-care consultancy.

Now was the time to meet the demand of not only executives in Kowloon but also the increasing needs and demands for the contemporary styles. So the new millennium was ushered in with the launch of II Colpo Hair Avant-Garde hair salon in the busy Harbour City area of Tsimshatsui. The décor is bright, very open and stylish with a cyber contemporary look. It was a decision to mingle with the downtown executives and appeal to the more trendy and chic younger market.

With over 2,500 square feet of space, 26 service stations and 60 on-floor professionals, II Colpo Hair Avant-Garde is more than able to address the robust and vibrant lifestyle of the peninsula. Their stylists are well trained to give you the seasonal freshest hairstyles to suit the modern lifestyles, from traditional to the popular catwalk looks. The two key stylists from the flagship salon, Jackson Yung and Ernest Yau, provide ongoing training, monitoring always results and customer satisfaction.

The services at this vibrant contemporary hair salon include cutting, colouring, perming, styling, braiding, curling, deep conditioning, scalp treatments, manicure, make-up, and much more. For all these services and to give you healthy hair, the salon uses and encourages continued home use of the all-natural Gram Hamm products from the U.S. With many small TV's for regular TV shows and VCD's, time passes quickly during the longer treatments and styling — you won't know where it went.

For the hairstyle that makes you feel and look great everyday as well as superior customer service, you can't go wrong with II Colpo Hair Avant-Garde, G112Harbour City, Tsimshatsui. Call 3102 2882 for more details . . .better yet stop by and see for yourself.
