

The Buzz of Hong Kong

Among the sanctity of lush green rolling hills, a buzz of activity exists at Hong Kong Parkview. With its expansive complex offering Club Members a myriad of exclusive events, facilities, activities and recreational resources, Members' needs are fully anticipated before such needs arise.

Living in Style

Fully serviced luxurious suites are opulently furnished. Each suite displays a breathtaking view and spaciouly ranges from one-bedroom to the magnificent penthouse suite. Whether short or long term, Parkview definitely accommodates. Already "home" to various CEOs and upper management, Parkview Suites offers convenience and comfort to the busy executive. Foreseeing these needs, residential meeting packages are on hand to provide efficient, comprehensive services.

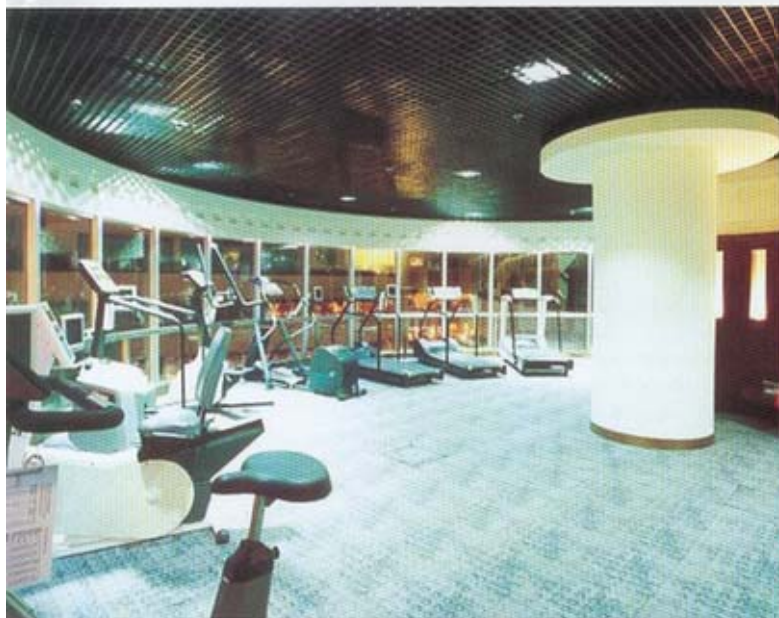

Function Specialists

As for private functions, Parkview can certainly oblige. If you are hosting an international seminar and corporate function, Parkview's conference rooms have state-of-the-art technology that allow for video conferencing and professional Barco presentations. And whether your event is a private or a corporate function, the spacious and luxurious function rooms can easily take care of intimate dinners of 12 people to grand cocktails of 500 alike. For ultra important occasions such as weddings, Parkview has developed special wedding packages to ensure that you experience the wedding of your dreams.

If it's just you and your family, one can take advantage of the delicious fare

of Parkview's six restaurants. The *Sneakers Juice Bar* is perfect for that refreshing drink after an energising workout while *The Oasis* provides a casual poolside barbeque menu. Why not revel in *George's Grill's* cosy environment while sampling Europe's finest cuisine? For all day dining, The Teahouse provides world-wide cuisine and has views of the country park. *Ming Yuen*, Parkview's Cantonese restaurant brings truly authentic cuisine in a rich Chinese atmosphere. Chit-chatting over traditional afternoon tea is a common occurrence at Parkview at *The Lounge*.

Plus, culinary delights are always revolving at Parkview with its regular gourmet food promotions and special

events with visiting international chefs.

Joie de spa

With the facilities of a world class resort spa, members can expect everything at Parkview. For fitness buffs, the newly renovated gym now boasts three floors of new equipment from the stairmasters and treadmills to full weight equipment, with the third floor dedicated entirely to ladies. For those desiring a little professional help, the Parkview gym has on staff physical trainers and a nutritionist to work with members to meet their individual goals. And this is just the tip of the iceberg. There is never a lack of variety in physical activity in Parkview, with breathtaking outdoor pools, jogging

trails, tennis and squash courts, dance room...the list goes on and on plus there is a comprehensive schedule of classes and coaching that one can choose from. For the ultimate in pampering there's a totally unique indoor Roman Baths complex featuring elaborate dressing rooms, jacuzzi, sauna and steam.

To relax those muscles after exercise, Parkview offers a multitude of spa and beauty treatments to relax the body as well as the soul. One can choose from soothing facials to loosening massages, and afterwards, take advantage of the beauty services such as hair styling at the full hair salon or a deluxe manicure.

The features don't stop there.

Depending on what your mood is, Parkview has what you are looking for: to relaxing in the *Reading Room* or the *Art Gallery* to an exciting game in the *Snooker Room* or singing in the *Karaoke Lounge* – it is all at your disposal. Or you can choose to savour a drink at the *Lobby Bar*. Parkview is your oyster.

Hong Kong Parkview – anticipating your needs. Whether corporate or culinary, social or spiritual – it's all taken care of.
