

“Dost thou love life?”

Then do not squander time, for that's the stuff life is made of.”

Benjamin Franklin

Since the beginning, time has been one of the great fascinations of mankind.

This fascination has inspired man to develop some of his most beautiful objects d'art while continually improving the accurate measurement of time for his various needs. The result is a fabulous world of watches and clocks with so many beautiful timepieces and variety of styles.

Hong Kong Tatler proudly announces its new hardcover limited edition of the spectacular

realm of watches, *The World of Time*. Once again we showcase for your enjoyment some of

the greatest names in watchmaking... some of the most beautiful, elegant and precision watches from around the world.

Like the timepieces it shows off, *The World of Time* is a first-rate publication with stunning and beautiful full color photos plus informative, lively and interesting

profiles. You will be proud to add this great volume to your personal library.

***The World of Time* is yours for only HK\$ 79*, saving you 20% off the cover price. Please hurry — first come first served for this limited edition. Complete the coupon below and mail or fax TODAY!**
